This week the Building Commission and Plumbing Industry Commission moved into their new tenancy at the heritage listed Goods Shed North. The building has a 5 star GreenStar Design Rating and SBE will spend the next few months working with architects BVN and builders Equiset to compile the submission for their GreenStar Interiors Rating.

MANDATORY DISCLOSURE

The Australian, state and territory governments have agreed to implement a new national scheme for the mandatory disclosure of the energy efficiency of office buildings. The proposed scheme will require that building owners provide energy efficiency information to prospective buyers and lessees at the point of sale and lease of office spaces of 2,000m² and above. If you require assistance with your project or

portfolio, call SBE on 03 9923 2345. A brief summary of the scheme is available [here](#).
